

# Call for SFRR-Europe Travel Awards to attend the SFRR-E Annual Meeting Mainz, Germany 2026

Dear colleagues,

We are pleased to announce that SFRR-E travel awards will be available for students and postdocs to attend the 2026 SFRR-E annual meeting “Redox Biology, Environment Exposures and Lifestyle”, which will be held in Mainz, Germany, from 3 - 5 June 2026.

There will be travel grants of **400 Euros** each available for **Europe-based** PhD students or postdoc members of SFRR-E, who are less than 5 years post-PhD and not in permanent academic positions. There will also be travel awards of **900 Euros** each for students or postdoc members of SFRR-E or a SFRR Regional Society **based outside Europe** (with the same conditions as above) to support inter-continental, long distance travel.

*Please note that previous SFRR-E Travel Grant awardees and SFRR-E Young Investigator Award recipients, who have been previously supported to attend the SFRR-E annual conference, or the biennial SFRR-I conference if hosted by SFRR-E, are not eligible to apply in this call.*

The number of travel awards for PhD students, postdocs, and junior researchers based in or outside of Europe will be decided after the evaluation process taking into account the scientific quality of the proposals.

The travel grant applications should be submitted online through the SFRR-E website.

SFRR-E website <https://www.sfrr-europe.org/>

Your application must be a **single PDF file** containing:

- 1) Your CV (max. 2 pages), which includes the start date or award date of your PhD.
- 2) A motivation letter written by yourself, outlining your interest and reasons for wishing to attend the conference.
- 3) A copy of the abstract intended for presentation during the conference.

As registered user of the SFRR-E intranet you will have access to submit your application when you login into the website <https://intranet.sfrr-europe.org> and select the option “Travel Awards for SFRR-E Mainz” in the menu on the left.

Please note that incomplete applications will not be considered.

The deadline to receive submissions is **12<sup>th</sup> January 2026**. The decision about awardees will be announced before **26<sup>th</sup> January 2026**, which is the deadline for abstract submission.

Funds will only be transferred to the successful applicants after them providing proof of registration and abstract submission.

Conference website: <https://www.sfrremainz2026.com/>

Please contact [info@sfr-europe.org](mailto:info@sfr-europe.org) should you need further information.

Best wishes,

Clare Hawkins

General Secretary, SFRR-Europe
