

	EXPOHEALTH and Research Structures Symposium		SFRR-E Annual Meeting: REDOX BIOLOGY, ENVIRONMENTAL EXPOSURES AND LIFESTYLE						4th International G-ReXS Symposium						
	Monday, June 1 (Max Planck Institute of Chemistry)		Tuesday, June 2 (Max Planck Institute of Chemistry)		Wednesday, June 3 (Hilton Mainz)		Thursday, June 4 (Hilton Mainz)		Friday, June 5 (Hilton Mainz)		Saturday, June 6 (Max Planck Institute for Polymer Research)				
07:30 - 08:00	EXPOHEALTH Symposium		Symposium of Research Structures		Registration		Exhibition & Poster set-up		Sunrise Session I - "Air Pollution and Redox Biology in the Lung - Insights from Preclinical and Computational Approaches" Timoteo Marchini & Thomas Berkemeier		Sunrise Session III - "Looking beyond One's Own Nose: Novel Therapies based on mRNA and microRNA" Thomas Thum		07:30 - 08:00		
08:00 - 08:30	Short Welcome: Andreas Daiber, Daniel Wollschläger & Thomas Berkemeier		Short Welcome: Andreas Daiber and Thomas Berkemeier						Sunrise Session II - "How to Write a Good Paper and a Successful Grant Application" Tilman Grune & Anna-Liisa Levenon					"Sulfur and Selenium in Cellular Redox Networks"	
08:30 - 09:00	EXPOHEALTH Session I "Air and Noise Pollution" Chairs: Thomas Berkemeier & Pablo Evelson Speakers: Andreas Daiber, Daniel Wollschläger, Mark Miller, Thomas Münzel, Marin Kuntic, Katja Kanninen & Thomas Berkemeier		Cardiology Department "Clinical Trials, Novel Drugs and Future Trends" Speaker: Philipp Lurz		Opening		Flash Talks (6 x 5')		Flash Talks (6 x 5')		Young Investigator Award Session (6 x 10')		08:30 - 09:00		
09:00 - 09:30			Center for Thrombosis & Hemostasis "CuraTime, Microbiota, Atherothrombosis" Speakers: Christoph Reinhardt & Michael Molitor		SFRR-E Annual Award Lecture - Clare Hawkins		Symposium 3		Symposium 4					09:00 - 09:30	
SFRR-E Clinical Science Award Lecture - Christian Heiss					"Lipid Peroxidation and Ferroptosis in Health and Disease" Chairs: Marcus Conrad & José Pedro Friedmann Angeli Speakers: Maria Fedorova, Derek Pratt, Uladzimir Barayeu		"Lipid and Epilipid Signatures of Metabolic and Environmental Stress" Chairs: Francisco José Schopfer & Corinne M. Spickett Speakers: Matej Orešič, Francisco José Schopfer, Tiago Alexandre Teixeira de Sousa Conde		09:30 - 10:00						
09:30 - 10:00									Coffee/ Posters/ Exhibition					ECR Fellowship Presentations (4 x 15')	
10:00 - 10:30					SFRR-E Basic Science Award Lecture - Elias Arner				SFRR-E Leopold Flohe Award Lecture - José Pedro Friedmann Angeli		Speakers: Peter Nagy, Tobias Dick, Martin Feelisch, Ming Xian, Albert van der Vliet		10:00 - 10:30		
10:30 - 11:00	Coffee		Coffee				Coffee/ Posters/ Exhibition		Coffee/ Posters/ Exhibition		Coffee		10:30 - 11:00		
11:00 - 11:30	EXPOHEALTH Session II (co-sponsored by SFRR-E/SFRBM POC) "Climate Change and Toxic Chemicals" Chairs: Daniel Wollschläger & Natalia Magnani Speakers: Omar Mahad, Andreas Pozzer, Yafang Cheng, Aleksandra Jankovic, Bato Korac & Stefan Schildknecht		Institute of Molecular Biology "Epigenetics and Genome Stability" Chairs: Speaker: Christof Niehrs		TBA		Symposium 5 "Switches in the Balance: Redox Regulation of Kinase–Phosphatase Signalling" Chairs: Paraskevi Kritsiligkou & Olena Rudyk Speakers: Hayley Sharpe, Dominic Byrne, Olena Rudyk		Symposium 6 "Principles of Compartmentalized Redox Signaling across Kingdoms" Chairs: Vanesa Cepas López & José Manuel Ugalde Speakers: José Manuel Ugalde, Ilaria Sorrentino, Laura de Cubas Landaluze		Speakers: Rakesh Patel, Joris Messens, Daria Ezerina, Bernd Moosmann, Jessalyn Ubellacker		11:00 - 11:30		
11:30 - 12:00			Paul-Klein-Center for Immune Intervention "Translational Research in Personalized Medicine" Speaker: Nadine Hövelmeyer		Environmental Exposure - Introductory Session - Sanjay Rajagopalan & Thomas Münzel		Flash Talks (6 x 5')		Flash Talks (6 x 5')				SFRR-E Catherine Pasquier Award Lecture - Pablo Hernansanz-Agustin		11:30 - 12:00
Reactive Oxygen Species in Space: Challenges for Exploration and Lessons for Earth - Anne McArdle													12:00 - 12:30		
12:00 - 12:30													How to Propose a Competitive Symposium - Michael J. Davies		12:30 - 13:00
12:30 - 13:00									Closing Ceremony				12:30 - 13:00		
13:00 - 13:30	Lunch		Lunch		Lunch - Oxygen in Life Science Studies - Chair: Giovanni Mann		Lunch - Women in Science - Round Table Discussion		Lunch - ECR Networking		Lunch - COST Actions and their Benefit for the European Research Landscape and Promotion of ECRs		13:00 - 13:30		
13:30 - 14:00													13:30 - 14:00		
14:00 - 14:30	SFRR-E/SFRBM POC Session III "Redox Mechanisms and Interventions against Environmental Stressors" - Chairs: Tilman Grune & Daniela Caporossi Speakers: Tilman Grune, Daniela Caporossi, Pablo Evelson, Natalia Magnani, Giuseppe Valacchi & Florian Gruber		Translational Oncology Mainz "Quo Vadis Cancer Therapy" Speaker: Thomas Kindler		Symposium 1 "Redox Changes and Oxidative Stress by Air Pollution – Contribution to the Redox Exposome" Chairs: Pablo Evelson & Andreas Daiber Speakers: Natalia Magnani, Marin Kuntic, Timoteo Marchini		Symposium 2 "Exercise, Inflammation, and Redox Biology: Turning Stress into Adaptation" Chairs: Daniela Caporossi & Maria Carmen Gómez-Cabrera Speakers: Maria Carmen Gómez Cabrera, Johanna Lanner, Malcolm Jackson		Selected Oral Presentations 3 (6 x 15')		Selected Oral Presentations 4 (6 x 15')		14:00 - 14:30		
14:30 - 15:00			Max Planck Institute for Polymer Research "Novel Insights in Polymers and Soft Materials" Speakers: Tanja Weil & Uladzimir Barayeu & Aleksandra Pavicevic								14:30 - 15:00				
15:00 - 15:30											Speakers: Soni Deshwal, Carsten Berndt, Derek Pratt, José Pedro Friedmann Angeli		15:00 - 15:30		
15:30 - 16:00					Selected Oral Presentations 1 (6 x 15')		Selected Oral Presentations 2 (6 x 15')		Guided Poster Presentations II (6 Parallel groups)		Farewell		15:30 - 16:00		
16:00 - 16:30	Max Planck Institute of Chemistry "Multiphase Chemistry & Atmospheric Chemistry" - Chairs: Marin Kuntic & Timoteo Marchini - Speakers: Uli Pöschl & Jos Lelieveld		Coffee												
16:30 - 17:00			Leibniz Institute for Resilience Research "Mechanisms of Resilience" Speaker: Marianne Müller												
17:00 - 17:30	Travel from venue to Bodenheim		EXPOHEALTH Session IV "Resilience" Chairs: Marianne Müller & Florian Gruber Speakers: Dilya Krüger-Burg, Martin Feelisch, Giovanni Mann												
17:30 - 18:00	Get-together "Funzelfahrt" Bodenheim - Vineyard tractor tour with wine tasting and brown-bag lunch				Guided Poster Presentations I (6 Parallel groups)										
18:00 - 18:30							SFRR-E General Assembly								
18:30 - 19:00															
19:00 - 19:30					ECR Networking		Elsevier Meeting								
19:30 - 20:00															
20:00 - 20:30			SFRR-E Welcome Reception (Hilton Mainz)												
20:30 - 21:00															
21:00 - 21:30															
21:30 - 22:00															
22:00 - 22:30															
22:30 - 23:00															
23:00 - 23:30															
23:30 - 24:00
